Four Season Condo Living in Collingwood

BRANDY LANE HAS A THING FOR COLLINGWOOD.

It is easy to fall in love with Collingwood. Brandy Lane Homes has done that not once, twice but three times. From the rolling hills of Blue Mountains to the sparkling waters of Georgian Bay, to the verdant woods with winding trails, and not to forget, the annual Elvis Festival, this lovely town has a lot to offer.

Brandy Lane's love affair with Collingwood began in 2010 when the company announced its first Wyldewood community. Since then it has launched two more communities – Wyldewood Cove in 2013 and the latest, Wyldewood Creek. On being asked why Collingwood? David Hirsh, President, Brandy Lane Homes replied, "the area presented innumerable opportunities for a life of leisure. While it's perfect for those looking to buy a second home, all Wyldewood properties with their four-season amenities, suite designs and stunning location are also a great option as a primary residence in one of Ontario's most charming small towns."

Far from the madding crowd, the Wyldewood communities celebrate the natural beauty of the surroundings. The company has sold over 350 units since the debut of its first property. One of the most interesting facts is that many of the Wyldewood home buyers are repeat purchasers. Brandy Lane has developed an enviable reputation in creating Wyldewood lifestyle communities - our purchasers love their Wyldewood brand.

Wyldewood Creek, Brandy Lane's newest addition has been drawing big crowds since its opening earlier this year. While the suites come outfitted with Wyldewood signature features - fireplaces, custom cabinetry, BBQ hook-up, etc., its resort-style amenities have been a big hit with home buyers. This new enclave offers a year-round outdoor pool, a fabulous clubhouse with heated patio and a spectacular outdoor firepit. But it's the price that makes this property so very desirable.

Affordability has been the most enticing feature of all three communities. These all-season condominium communities have made many home buying dreams come true.

"Brandy Lane has been successful in mixing quality and affordability," says David Hirsh. "This has been an important reason for the popularity of all Wyldewood properties. And being in Collingwood only enhances their appeal."

WYLDE ABOUT IT!

WHAT OUR CLIENTS ARE SAYING:

“Our lives have changed for the better since we purchased our original Wyldewood condo in Collingwood in 2010. We have since purchased another unit and moved to the Wyldewood Cove community.”

For now, every Friday evening, we ‘go on a mini vacation’ to ski, skate, snowshoe, kayak, paddle board, cycle or hike. Other times simply sit on the balcony or by the fireplace and enjoy the company of friends and family.

It is the perfect place for entertaining, relaxing or rejuvenating. The year-round pool and exercise room keeps us in shape and adds to the ‘get-away’ feeling. The love for Wyldewood lifestyle is multi- generational in our family. One of our children just purchased a unit in the latest development, Wyldewood Creek.

Might the future take us to Collingwood full time, who knows? But having the next generation close by, it will certainly add to a lifestyle filled with family and friends, enjoying four-season indoor and outdoor living, activities and fun.

Thank you, David, and ‘Team Brandy Lane’ for building Wyldewood Communities.”

A SIZZLING SUMMER WEEKEND AT WYLDEWOOD CREEK

Our Summer Sizzler Sales Event was a huge success. It was well attended. Many old and new friends of Brandy Lane dropped in to see and experience our latest project, Wyldeewood Creek. The sun, great food by Collingwood's very own Gustav Chophouse, cold delights by Collingwood Ice Cream and live music made for a wonderful summer afternoon. New friendships were made, and everyone had an opportunity to learn about more about the incredible Wyldeewood Creek community.
